

Paul Siebert  
Assistant Fire Chief

After graduating from Frisco High School in 1991, Assistant Fire Chief Paul Siebert began his firefighting career in Frisco as a volunteer firefighter while attending college classes in Denton during the week. In 1993, he was hired as a career firefighter. With the rapid growth of Frisco, Chief Siebert promoted quickly through the ranks of Lieutenant, Captain, Battalion Chief and Deputy Chief. During his career, Chief Siebert has been involved in technology projects which have improved communication, provided important information in the field and developed specialized apparatus to provide command and communications as well as hazardous materials response. Chief Siebert continues to work both locally and regionally to improve public safety and assists senior officials in Frisco prepare for potential disasters locally.

Chief Siebert grew up as a citizen of Frisco and continues to make his home here with his wife and two sons.
